Auction Sale

— of —
Horses and Cattle

As I have a large stock of cattle and
horses that I wish to turn into cash or
bankable paper, I will sell at public
auction to the highest bidder, on

Thursday, October 19, 1911,

at 12:30 o'clock sharp in the afternoon,
on the premises where I now live in
Vershire, Vt., known as the Alfred
Norris or Charles Davis farm, situated
three miles from Vershire village and
five miles from Chelsea village, right
near height of land between Chelsea and
Vershire, the following:

12 Extra Nice Cows

mostly high grade Holstein and Durham.
This is as fine a lot of cows as you can
find in Orange county, young and good
size, part of them just freshened and
balance well before Dec. 15. Four fancy
full blood Jersey heifers, coming two
years old, two two-year-old Durham
heifers, eight nice calves that will be
one year old late this fall—mostly high-
grade Holstein, very large and fancy.
Eight other calves, all sired by a regis-
tered Holstein bull and from extra high
grade Holstein cows.

Horses

One pair large work horses, weight
2,700 pounds, as good a work team as
you could wish for. One Black three-
year-old stallion, sired by Black Eagle—
a splendid colt. One yearling colt, sired
by Black Eagle—a good one. Also one
sucking colt. This is as fine a lot of
cows and young stock as anyone owns.
I have raised all the young stock and
paid fancy prices for the cows; but do
not think any of this stock will be bid
in as I need the money and mean busi-
ness, so all will be sold to the highest
bidder without limit or reserve. Lunch
will be furnished for those coming from
a distance.

About the State

There are 85 young women at the uni-
versity of Vermont this year. This is
almost twice the number enrolled last
year and more than there have been at
any year previous. Forty-two are first
students.

The returns from the Brattleboro pa-
geant were quite substantial, as shown
by the report of Collins M. Graves, the
treasurer. The total receipts were \$6,
037.77 and disbursements \$4,676.07. This
leaves a clear profit of \$1,361.70 after
the guarantee fund of \$975, furnished by
subscribers, has been returned.

The Rutland railroad has completed
the work of replacing the sixty-five
pound steel rails with eighty-five pound
ones, between North Bennington and
Petersburg Junction; a distance of seven-
teen miles. The lighter rails were un-
able to withstand the wear and strain
of the double-header freight trains that
are frequently made up at Bennington.

The lumber mill about one and a
half miles from Sutton, owned by F. R.
Whipple, was burned Thursday, Oct. 5.
The mill had been in operation through
the day and there had been a fire in the
store in the single room. This was
supposed to be out when the workmen
left. It is thought that soot in the
chimney must have burned and set fire
to the mill. The building and machin-
ery, also the lumber, were not insured.
It is estimated that the loss is about
\$5,000. Whether Mr. Whipple will re-
build is not decided yet, as he is in very
poor health.

The St. Johnsbury Electric company
is putting in a new power station on the
former Carriac property, which they ex-
pect to have completed about the first of
January. This is the fourth station to
be operated by the company and will give
the company a large supply of power to
be used for manufacturing purposes. To
encourage new industry in St. Johns-
bury, the company announces that it is
ready to build a building for any manu-
facturing concern that may wish to
locate here, rent the building for
six per cent. on its actual cost and will
furnish the company power at the regu-
lar rate.

Hoag Case Dismissed.

Rutland, Oct. 16.—The civil suit
brought last spring by Della H. Lillick
of this city against Homer L. Hoag, a
prominent citizen and member of the
license board of Rutland, to collect \$5,
000 damages for an alleged assault, was
dismissed in Rutland county court Sat-
urday without trial. A judgment was en-
tered for the defendant as to a stipula-
tion from the plaintiff, which is on file.

SERIOUS FIRE AT FAIR HAVEN.

Plant of American Marbleized Slate Co.
Destroyed.

Fair Haven, Oct. 16.—The plant of the
American Marbleized Slate company,
which was located not far from the
depot, was totally destroyed by fire
Saturday morning, with a loss of \$10,000,
partly covered by insurance. All the
buildings were razed, most of the ma-
chinery was badly damaged and some
material on which work was under way
was injured.

The plant is controlled by the Vermont
Unfading Green Slate company. It em-
ploys about 30 men.

No one knows how the fire started.
When the flames were discovered, about
12:30 a. m., they had gained such head-
way that there was no hope of combat-
ing them and efforts were turned, after
the village had been aroused, to saving
other property.

JUSTICE HARLAN'S SUCCESSOR.

Names That Suggest Themselves as Possi-
bilities—Wickersham One of Them.

Washington, D. C., Oct. 16.—The death
of Justice Harlan will devolve upon
President Taft the duty of appointing
another member of the supreme court.
When this is accomplished, President
Taft will have had the unusual respon-
sibility of naming five new members of
the highest court, or a majority. Since
he entered the White House not quite
three years ago, President Taft has ap-
pointed Associate Justices Horace H.
Lurton, Charles E. Hughes, Willis Van-
devanter and Joseph R. Lamar. He also
advanced Associate Justice White to be
chief justice.

The president will probably not fill the
vacancy caused by the death of Asso-
ciate Justice Harlan until the Senate
meets in December and the new justice
probably will take his seat after the
holidays if he has been confirmed in
the meantime. The will be in time to
permit him to sit in the important in-
terstate commerce cases, which involve
the conflict of constitutional powers be-
tween the states and the federal gov-
ernment in the matter of rate making.
These cases have been advanced and
set down for argument on January 8.

Just who will be appointed is a mat-
ter of conjecture, but there are some
names that immediately suggest them-
selves as possibilities on account of
sympathy with the president and be-
cause of the well known views entertained
and expressed by the president when former
vacancies were up for consideration. At-
torney General Wickersham would prob-
ably be very glad to succeed Justice
Harlan, and he is not to be eliminated
from consideration of those names from
which the president will make the se-
lection. If Mr. Wickersham is advanced
to a place on the bench he would prob-
ably be very glad to succeed Justice
Harlan, and he is not to be eliminated
from consideration of those names from
which the president will make the se-
lection. If Mr. Wickersham is advanced

lection.

COMMISSIONERS' NOTICE.

ESTATE OF ALONZO C. SLAYTON.
The undersigned, having been appointed by
the Honorable Probate Court for the District
of Washington, Commissioners, to receive, ex-
amine, and adjust the claims and demands of
all persons against the estate of Alonzo C.
Slayton, late of the City of Barre in said Dis-
trict, deceased, and all claims exhibited in
writing, hereby give notice that we will
meet for the purpose aforesaid, at the office
of M. M. Gordon, in the City of Barre in said
District, on the 15th day of November at
10 o'clock P. M., on each of said days, and
at six months from the 15th day of November
A. D. 1911, is the time limited by said Court
for said creditors to present their claims to us
for examination and allowance.

Dated at the City of Barre this 16th day of
October, A. D. 1911.

M. M. GORDON, | Commissioner.
W. G. REYNOLDS, | Clerk.

ESTATE OF WILLIAM H. KINASTON.

STATE OF VERMONT. The Honorable
District of Washington, Probate Court for the
District aforesaid: To all persons inter-
ested in the estate of William H. Kinaston,
late of Cabot in said District, deceased.
Greeting:

Whereas, said Court has assigned the 7th day
of November next for examining and allow-
ing the account of the Administrator of the estate of
said deceased, and for the said Administrator to
make oath to the lawful claims of the said
estate, and ordered that public notice thereof
be given to all persons interested in said estate
by publishing this order three weeks succes-
sively previous to the day assigned, in the Barre
Daily Times, a newspaper published at the City
of Barre in said District.

Therefore, you are hereby notified to appear
at the Probate Office of Montpelier in said
District, on the day assigned, then and there
to contest the allowance of said account if you
cause, and your right as heirs, legatees and
lawful claimants to said residue.

Given under my hand, this 14 day of Octo-
ber, 1911.

ably be succeeded in the attorney gen-
eral's office either by Frederick W. Leh-
mann of St. Louis, solicitor general; Henry L.
Stimson, secretary of war, or Walter R. Fisher,
secretary of the interior.

The president will probably not take
the new associate justice from the sixth
federal judicial circuit. Before Justice
Harlan died there were three members
of the supreme court who had been ap-
pointed from that circuit, which includes
Ohio, Michigan, Kentucky and Tennes-
see. These were Harlan of Kentucky,
Lurton of Tennessee and Day of Ohio.
The third judicial circuit, composed of
Pennsylvania, Delaware and New Jersey,
is now without a representative on the
supreme bench. President Taft gave
serious consideration to several names
from New Jersey last year when he
was called on to fill two vacancies in
the court, but finally gave up the quest
and went elsewhere. It is possible that
he may turn to the third circuit again.

CHURCH TO TAKE A CHARTER.

Presbyterians Will Incorporate the De-
partment of Temperance Work.

Pittsford, Oct. 16.—The permanent
committee on temperance of the Pres-
byterian church of the United States,
appointed at the general assembly of the
denomination in Atlantic City last
May, will apply for a Pennsylvania
charter this week. The incorporators
will be the Rev. E. Trumbull Lee, Pitts-
ford; Percy Y. Schell, Philadelphia;
Guy W. Wadsworth of Denver and three
others.

The Rev. Dr. Lee, who is chairman,
announced Saturday that the committee
deemed the move necessary in order to
finance its temperance campaign. Lec-
turers have been sent to Oklahoma. In
Texas there are 100 lecturers and in
several other western states the com-
mittee representatives have established
headquarters. Charles Scammon, the gen-
eral secretary, recently spent two weeks
lecturing in Florida. The committee has
carried its work into five states. Six
missionaries were kept in Maine dur-
ing the recent wet and dry contest there.
"We purpose establishing headquarters
in every doubtful state in the Union,"
said the Rev. Dr. Lee. "We have the
largest temperance fund at our dis-
posal in the history of the church and
we purpose to administer it on business
lines."
